It may be noted that the candidates are required to take admission within a month from the date of receipt of this intimation letter, failing which admission may be cancelled. If any reason he/she is unable to join within the specified period he/she should inform in time with valid reason so that matter must be placed before competent body for decision.

Admission of the students in Ph.D. is subject to the submission of synopsis as approved by Research Degree Committee

The candidate is also required to submit his/her migration certificate immediately so that their Pre-Ph.D. Course work and training may be conducted as per U.G.C. Regulation 2022.
