Dear Students and Staff,

In keeping with our mission to lessen our carbon footprint and to promote environmental sustainability, we kindly ask everyone to think about making their daily commute by bicycle or battery-powered vehicle. Choosing these environmentally friendly forms of transportation can encourage a healthier lifestyle and contribute to a greener campus environment in addition to assisting in the reduction of air pollution.

Let's make cycling and battery-powered cars our go-to forms of transportation and together we can build a more sustainable future.

Thank you for your cooperation and dedication to making a positive difference!

Sincerely,

Dr. A.S. Moses  
Principal (Officiating)
